“ *Paul, Jisuka & Family,*

Our sincere condolences on the loss of your wonderful Mother. It was an absolute pleasure working with her and her stories kept all of us laughing. She was so full of energy and loved her family with all of her heart. It seems like yesterday when she was working with our team at DSW. After hearing the sad news we shared some of her stories with new and old members of the team and we know she was laughing with us. She will be greatly missed by all. You are all in our thoughts and prayers.

“ *Paul, Jisuka and Family,*

Our sincere condolences on the loss of your Mother, you are both in our prayers. I'll never forget the years we shared a cubical at Bank One. She was a pleasure to have worked with. She kept plenty of humor in play during the toughest of days. Her kind spirit is with all of us who knew her.
