“ I want to thank my Lord and Saviour for putting Larry and Laura in my life! Larry was one of the Best men I have ever known in my 69yrs. And Laura knows that is a Big statement for me! There wasn't anything I couldn't talk to him about. He knew my good ,bad and ugly. He loved he served he gave, he was funny he could put you in your place when needed. He loved the Lord he loved the church he loved his family and friends and I am so blessed to have been among the above! We had many nick names for each other he Laura and I, but my favorite was ' wicked witch of the north' until I revealed 'my wings' in Chevy's restaurant! His face was priceless! But he had the last play and it leaves me sad. He promised he Laura and I would leave this place together in the Rapture when the lord comes to take His church to Heaven! He wasn't able to keep that promise as God had a better plan! He'll be watching and waiting for Laura and me and he better have purple roses for us! Greatly Loved and Sadly Missed Lar-Bud Until we meet again ,save the feathers!

“ I will always love and miss Uncle Larry, Him and Aunt Laura always made time for all of us and he loved every minute of it just as I/we had. I remember one time when I was probably between 5 and 7 give or take, And I was being bad or something and he came in our bedroom to tell me to stop crying or yelling and when i didnt listen he pulled out his belt and i was like haha! You cant whoop me cause my Dadfy will beat you up when i tell him. Well that didn't stop him lol he whipped me and when dad got home I told him and he just said if Uncle Larry whipped ya then next time keep your mouth shut! Lol just thought id share some early kid humor. I will miss him dearly, And Aunt laura we love you very much and so sorry but glad he is out of pain and is resting in heaven. Xoxo

“ Hi Larry it's me again I have been thinking about you and Lee this morning and just thought of how wonderful it will be that you get to spend fathers day together again. Maybe the two of you will be able to have fathers day supper with our heavenly father what a day that would be. Love and miss you Laura xoxo

“ Uncle Larry its Michelle i truley miss you so much . I miss you yelling at the door for oden when he wouldn't come in . I miss seeing you walking down the hallway, making you favorit stuff for dinner always telling me it was very good, I miss you having fun teasing Hunter and Caleb. Who am I going to agree to disagree with? Brian is keeping the garden going. I hope you enjoy your new life walking with Jesus and seeing everyone we miss. You must be skipping with your new body and no more suffering . Im trying to come to grips with your passing my mind was ready but my heart wasn't thats the selfish part . I love you and miss you so much .
