“ Sandy, I hope you get this. I just saw Lee's obituary in an untimely-read newspaper. I seem to be so far behind always. I feel so bad I was unable to represent our WHS Class for you in Lithopolis today. I didn't know Lee in school, but of course I remember you and care about your loss. My brother David died in 2013, so I know how painful it is to lose a brother. Please forgive me for tardy but genuine sympathies and condolences.

Sandy, if there are any specific classmates you would like me to notify for you, you can call me at the phone number on www.westhighalumni.com website and navigate to the site map (you can skip the preliminary animation) where you can click on the Alumni Office and then the class reps. by graduation month and year. The Alumni Assoc. is also on Facebook, but I don't use Facebook.

I have an address and phone number for you but I am not certain it is current, so it might be better for you to call me. I'll do my best to find anyone you'd want to share this with.

Sincerely,
Dotti Vance
