

Licia Joyce Palmer

January 21, 1960 - May 18, 2021

Licia Joyce Palmer, 61, of Newark, passed away on May 18, 2021, after a brief illness. Born 1960 in Dennison, she was the daughter of William Wesley Palmer and the late Alice May Palmer. In addition to her father and stepmother, Bill and Shirley Palmer, she is survived by, Husband Darrin Petrey, father in law, Daniel Petrey, mother in law, Alice Petrey, her daughter Summer Petrey (Joshwa) and grandson Noah, her brother, Michael (Susan) Palmer; sister, Denee M. (Steve) Burton; and many nieces and nephews and great-nieces and great-nephews. Licia was predeceased by her Mother Alice May Palmer and sister Renee Palmer

After graduation from Heath High School in 1978, she was employed at Diebold Incorporated for 20 years, with many stories to share. While she received her degree in Accountancy at Herzing University, she provided daycare out of her home and then started a successful business doing taxes. In 2016 she started her store Trelow's Treasures and loved watching it grow until the very end.

Licia dedicated her life to being altruistic, she was a loving wife, wonderful mother to her daughter, and a second mom to those who needed it; she was a precious grandmother to her favorite grandson, a good friend to many, and a partner in crime to a special few. Licia excelled at being a pyramid for friends, she not only supported them through the many passions and difficulties of

their lives but helped them build, learn and grow. We will miss her greatly.

Per Licia's wishes, a private, family celebration of life is planned. She wanted those of us that loved her to celebrate the life she lived and share the great memories she made. In lieu of flowers, memorial contributions may be made to The National Pancreas Foundation.

Day Funeral Service is honored to serve the family of Licia Palmer.

“ I remember Licia as a happy person, smiling and laughing. Since we moved to Georgia when I as 12 I did not have the pleasure of being able to see her on a regular basis. But I do remember that she was always vivacious and kind. My heart goes out to Uncle Bill, Summer, Noah, Denee, Michael and all the Palmer family. We love you! May Jesus bless you all with his peace. - Joyce Garner

“ Licia and Darren both have been close Friends to our family since I was a little boy. Always there to try and do whatever she could to help out Donnie, Melissa, Courtney and I'd imagine anyone else who ever needed some support of some kind. She was my go to for me and all my tax questions and preparations ever since I started my business. She put in overtime as she would constantly be getting calls from me year round about taxes and even helped me to get my ducks in a row to buy my first house. Never once did she ever ask for anything in return and always helped me out with a smile and positive good advice. She will be missed dearly by so many. She was always good company and a great person.

“ Worked with Licia at Diebold. She was a very kind person, always liked her. Licia was also the type that expressed her opinion and she wouldn't hesitate to give her true feeling, even if didn't agree with yours or anyone else. Outspoken and honesty made her special, RIP Licia and prayers for all the ones left behind that loved her. Elaine Embrey

“ Summer, Noah & family, I am so sorry you no longer have Licia with you. She was the first person to greet us and make us feel part of the LGRIA family when the girls started group lessons. She was incredibly generous with her time and efforts on behalf of the group. Our lives changed because of skating, and I remember the phone call to her (and still have in a scrap book) the notes I took to learn what being part of skating was all about. May the memory of her love, kindness and strength sustain you until you meet again.

“ I knew Licia my whole life, she was my neighbor when I was born and we all grew up together, She was an amazing person, funny yet blunt, she told you what you needed to hear not what you wanted to hear. I still can't believe she is gone, Rest easy Licia, my thoughts and prayers are with Bill, Denae, Mike, Darrin, and Summer. Bill Berger

“ I'm so sorry to hear of Licia's passing. She was an amazing mom who always had the best interest of those around her (most especially you, Summer). She will be missed by many. Hold onto the memories to share with Noah for when he is older so he too can experience the greatness of your mom. You and your family are in my thoughts.
