“ I remember at family get-togethers, Linda came over to say hi, identify herself, tell me what the kids were doing, what toys they were playing with, provide visual assistance, and never failed to tell me who she was. she even took my hand. I am totally blind as one of many disabilities. We as a profile are often not used to people that consider it. She adored ZAIRA. I would’ve never known who she was if she had not spoken up. Her grandchildren were her obvious pride and joy. I had asked to go see her the next time Laura and LOWEL were going to the facility however it had not worked out.

“ I remember Linda, when I first met her, son Lowell, and daughter-in-law Laura at a get-together at their house. I remember how much love she showed to her grandchildren that day, and spent all her time with them.

“ I am so sorry to hear of Linda's passing. I have known Linda for 50 years. I remember her working at WayLo Gas station for my exfather inlaw Chuck Leonard. I also remember her playing the piano at Fernhill Church. My condolences to family. R.I.P. Linda. All my Love Mary.
