

Madgelee "Chrissy" Clark

July 1, 1975 - January 2, 2022

Madgelee "Chrissy" Clark age, 46, born on July 1, 1975, went to be with her sister and the lord on January 2, 2022. She had 2 wonderful children, Aliyah and Michael, which she often called her "miracle babies" who she loved deeply. She is preceded in death by her father, Ronald Clark and her oldest sister, Terri (Daniel) Ramey; as well as both grandparents; all who are surely waiting for her to walk through those pearly gates pain-free and removed from suffering. She is survived by her 2 children, Aliyah and Michael; mother, Brenda (Spillman) Backus; younger siblings, Tonya (Walter) Thompson, of Barboursville WV, Rachel (Travis) Webb of Canal Winchester Ohio, and Gregory (Connie) Backus of Columbus Ohio. She also left behind 13 nieces and nephews and 3 great-nieces.

All who knew Chrissy also knows that her friends were like family to her and she leaves behind many that she loved dearly. Chrissy was the most generous person one would ever meet and if she called you friend or family, there was nothing she would not do for them. Chrissy will be remembered for much in her life, but what we all will remember the most is the light that radiated from her into everyone else's life. Her mother gave her the nickname "Sunshine" and it could not be more fitting for anyone more than it was for Chrissy. She could walk into a room, beam her huge smile, say something witty and have everyone smiling and laughing. Her generosity was second only to the light she brought into this world, Chrissy loved to give to others and

make people smile, whether it was something someone needed, or her last few dollars, or just a smile, Chrissy was never selfish with what she gave to others. No one on this earth is perfect, and neither was our beloved Chrissy, she suffered much in her life, but we all say a silent prayer knowing she is suffering no more, she will be sadly missed by everyone, but also celebrated in heaven when she is with her loved ones.

My little girl, my blue eyed blonde daughter! You had such a innocence about you as a little girl! Our church was so important to you! I would watch you cry at church when you came on Mother's Day you came almost every year! You were at times my worse nightmare but other times my greatest joy! I miss you very much and can't wait to see you and Terry again
