“ Margaret with my sister and I, her grand daughters. Video called with her about a week ago to tell her about my engagement. She was so excited and happy for me. She was an amazing and loving grandmother and I am honored to be named after her. We loved her very much.

“ Maggie was one of my favorite bingo players. She was so proud of her children and grandchildren. Seeing her smile always made me smile. She made an impression on so many; may her smile be remembered always.

“ I remember working with Maggie years ago at NCH where she worked in medical records. Maggie would push a heavy cart loaded with charts and walk all over the hospital delivering the charts to different departments. It was exhausting work, but she never complained and was always so cheerful and found time to chat with me daily.

I remember Maggie talking about bingo and playing "her numbers" always hoping to win the big one.

She was a lovely lady and will be missed.

Stevie, Eddy and Karen, I am so sorry for your loss she loved playing those numbers and bingo don't try to talk to her when those numbers are being called. I expect her to be watching over her family as she has always done the only difference will be she's a little farther away.

I met Maggie at NCH nearly 48 years ago. She worked hard and gave a smile to all of us as she went about her day. To her family, may you be comforted during this time of sorrow.
