You both are dearly missed 😊 I'm so sorry we didn't have enough time together growing up, you only met my son once and I feel so sad... I love you so so much. “ I will always remember my cousin Margie as both, kids playing together and as adults, meeting at family get togethers. Margie was very loving and kind and compassionate. When a tragedy in our family would happen Margie was always there to offer her love and kindness, even though she could be going through hard times herself. I will always love and miss you, forever RIH Fly high your cuz Boots
