“ *She was the strongest and most fearless woman I’ve ever known. I took her on vacation the first year she moved in with me and she jumped right on the back of the jet ski and away we went.*

*My sister, my 2nd mother, who was more like a mother to me than a sister. We sang together along with my oldest sister Patsy as a trio at many different churches. Countless loving memories that I will always cherish. You taught me many different facts of life growing up and as an adult that I will always remember. Rick and I love you Sis and will always hold you close in our heart. Love Always.....Dawn Renee'*
