

Megan Nichole Doyle

January 23, 1993 - March 29, 2024

Megan Nichole Doyle, age 31, left this world and entered into eternity with her Lord, Jesus Christ, on March 29, 2024. She was greeted in Heaven by her great-grandmother, Faye Netting; great-grandparents, Richard and Mildred Straw; grandmother, Mary Netting; grandmother, Helen Duffy; and adopted grandma, Loretta Benner.

Megan was born January 23, 1993 to surviving parents Kevin Doyle and Kendra Netting. She is also survived by her stepmom and dad, Theresa (James) Rash; her beautiful children, Faith Ayotte and Gage Wilson; sisters, Adriana (Paul) Payton and Hailee Doyle; grandparents, Ken Netting, Joseph Prokay and Janet Prokay; cousin and best friend Brittany Netting; along with many aunts, uncles, cousins, family, and friends.

Megan had a heart of gold. She loved her children dearly and enjoyed spending as much time with them as possible. Because of her obsession with makeup and fashion, she would spend time with Faith teaching her about makeup and how to apply it. Although Megan was bold with hers, she taught Faith how to lightly apply to be age appropriate. She loved scary movies and haunted houses. Her favorite animal was a panda and she loved collecting them along with Jack Skellington and Hello Kitty. She enjoyed spending time outdoors and in the country.

One of her passions was to help other recovering addicts. Her and her stepmom planned to start an organization to help addicts and make sure they knew they were loved and important. She also loved animals, always trying to find a stray a home and care for them.

Megan's Celebration of Life will be Friday, April 12, 2024, officiated by Pastor Timothy Knipp. Family will receive friends from 12:30 – 2:00 with a service to follow. Day Funeral Service is honored to serve the family of Megan Doyle. In lieu of flowers, donations in Megan's memory may be made to:

“Megan became my adopted sister when her mom Kendra and my dad were other back in 1999, she and I shared a love for Halloween and anything horror and fashion. I will always remember having sleepovers and being crazy kids. She loved her family and her babies more than anything. Megan was a beautiful loving goofy creative soul who will truly be missed.
