“ *Dear Sweet Missy. As first cousins Beth, Robin and I were always excited to see our "city cousins" at the family gatherings that were held for every holiday and at a different "family" house each time. We always had great adventures and Missy would say, "you guys are going to get in trouble, I am not going", but she would tag along and we would laugh about what we did. She loved the stories that her Aunt Donna would tell her. She loved surprise rides to get ice cream at the Dairy Bar. She was easy to have fun with. She is happy again and hanging out with some of our favorite loved ones who have gone before us. Kiss them for us. See you soon.*
