

## Michael Erwin Collins Jr.

June 14, 1964 - June 26, 2026

Michael E. Collins Jr. ("Mick"), of Marysville, Ohio, passed away peacefully on June 26, 2026, at The Ohio State University Hospital with his three children by his side.

Michael is survived by his son, Michael E. Collins III (Kristin), and their three sons, Aydan, Liam, and Kingstin Collins; his daughter, Brittnney (Brandon), and her four sons, Giovanni Holmecki, Gavin, Greyson, and Gabriel Ludvik; and his daughter, Kourtaney Collins.

He was preceded in death by his parents, Michael and Charlene Collins, and his brother, David Collins.

Though distance shaped many of his relationships, Michael remained connected in the ways he could—often through brief messages and small check-ins that carried meaning across the years.

He was a man who found peace by the water fishing.

Though the years were sometimes complicated and life's paths often led in different directions, Michael's passing closes a chapter that touched many lives. Each person he leaves behind carries their own piece of his story—some small, some large, but all real.

Michael will be remembered by those who knew and loved him, and his memory will live on in the hearts of his family and all whose lives he touched.
