“ Dearest Michael, you and John S. we're the very first people I met at AA Welcome group. You quickly took me under your wing and kindly allowed me to follow you to many meetings a week, along with our daily phone check in's. You my dear friend, as tough as I could be, were the strength in keeping me away from the bottle. I've often told you this, you were much more of a friend, not just a temp sponsor. I cherish our laughter and many times having dinner after our meeting. I thank you so much for always being there for me AND my elderly brother. Love and miss you forever.
