“ I love you Mom. Thanks for being such a great mom and a role model for my children. You are so loved by Amy and I and all 6 of your granddaughters. You've touched so many people in so many ways and everyone who knew you knows it. You are and will always be missed. I am so proud to be your son. Your time in this world was important and you made an important impact. God has been working on your home there and has finished it along with your banquet meal. I can't imagine what it must be like to meet Jesus face to face and worship our maker. You lived for him first, your family second, others next, and yourself never. While I am incredibly sad and broken that you are gone, I am so happy knowing where you are and knowing you have no more suffering. You fought the good fight and you are victorious. I love you mom, and good bye for now. Jimmy.

I have known your mom and Wilbur since elementary school. They both were Christians and showed it every day with what they said and what they did. Your mom was friendly, positive and a good role model for anyone. I last saw her at our class reunion. She and Wilbur had not changed a bit. Both of them were happy, friendly and friends to many. I will miss you Mom. Please accept my deepest sympathy for you and your family.

Nancy was a friend of mine since elementary school. She was upbeat and happy and she always had a smile on her face. At one time she, Wilbur and I attended Faith Memorial Church. I last saw Nancy and Wilbur at our class reunion. I was sorry to hear of her passing. I am keeping Wilbur and Nancy's family in prayer. Please know that Nancy will be remembered and missed. God bless and accept my condolences.
