“ 9/30/2020 I can't believe it has been a little over 2 months since you passed and how much it still feels raw. I still can't wrap my head around it that you are no longer here and that it's because of Covid. I can't believe I will never talk to you or see you again all because of a virus you should never have gotten. That is so crazy and makes your passing even harder. I'm so sorry and miss and love you so much. The world lost a great person, but t least you are with Terry and Sherry now. Rest in peace mom. Kathy

“ Dear " Mom " , I was so very saddened to hear of your sickness then passing . It seems so surreal to me. You endured a lot in your lifetime , but always remained faithful to God through it all . I admired you so much ! I know Pat is missing you so much , and its gonna hurt us all for very long time to come . Ill always remember the time when you came with Pat down to my parents camper at Rippling Stream campground. You sat with my mom and Grandma who was visiting from North Dakota -- you were so relaxed , smiling , and so enjoying yourself . I know you are in Heaven , and that gives me some peace . I will miss you a lot. I Love you , Julie 🌸💜🌸
