“ Paula and I pass along our love and prayers to you Ty, Lisa, Bruce and Ty Jr. & grandchildren as you remember the love, wisdom and compassion your bride, Mom & mother-in-law and grandma displayed throughout her life. I can remember many times during the years we knew her well when she responded with care and concern for those of you and so many in the Miami Valley as well. Our God catches all our tears and puts them in a bottle...that is a wonderful thought when we reflect on the fact that Pat is in the presence and comfort of the God of All Comforts. Grace & Peace, Mark & Paula

“ Sis...my heart aches at your passing and at the same time rejoices. You are no longer trapped in a body that does not work. You are with mom and dad and Chris and are free and whole again. I ache for myself I guess and know that one day we will be together again. God is wonderful isn't he? I will always have memories of you and how you showed your love and care to me even though I was a bratty little sister. You were there when I needed you every time, to comfort and lead me. You set the example of what it was truly like to walk in God's word and your light shown bright around you. I love you Pat. ...I will miss....miss you already. All my love... Cyndi
