“ I didnt know Pat well, but she gave us a wonderful gift in her son, Jay. For that alone she deserves a place in heaven. Rest in peace Pat: your pain and strife are over.

I met Ms. Graf around 1983 while I worked with her daughter, Joyce. She was always upbeat and said things that made me smile. Eventually my parents met her and they liked her immediately. She had a big heart and cared about others! As the years went by we lost contact but she crossed my mind from time to time. A "one of a kind" lady!
