

Patricia Ann Muczynski

May 17, 1956 - May 30, 2021

On May 30, 2021 Patricia A. Muczynski left this world to be reunited with her soulmate, Dean. Pat leaves behind her sister, Sue; brothers, Bruce and Bob; son, Adam (Krissy); daughters, Holly (Amber) and Bailey (Brandon); as well as her grandchildren Natalee, Jeff, Grace, Aaron, Mary Kate and Alex. She was surrounded by love, peace and happiness as she took her final breathe here on earth. Pat was a very loving mother who accepted all. She was a hippie, a laugher and she always had a smile on her face. She defended her children any time she had to and never backed down. Pat was truly blessed by all of the wonderful people that came into her life. Pat did not want to have any type of viewing or service but asked that you donate to a cancer research or COPD research if you want to do something in her memory. She will be missed dearly by family and friends alike. Day Funeral Service is honored to serve the family of Patricia A. Muczynski.
