

Patrick So Co

August 28, 2019

Patrick So Co passed away at the age of 51 on Wednesday, August 28th, 2019. Patrick was born on May 28, 1968 in Brooklyn, New York to Katherine So Co and Benito Kong Leng Co. He attended the Maryland School for the Deaf.

Patrick was a loving brother, the oldest of six children. He always looked out for his younger brothers and sisters. Patrick was happiest when he was helping other people, and despite his own challenges, he always found a way to do so. He had a talent for finding the positive in tough situations. He was sensitive, kind, and a hard worker. At the same time, he was known to be a bit of a prankster. He had his own unique fashion sense and loved to dance. His sincerity and goofy sense of humor earned him loyal friends wherever he went.

Patrick is survived by his mother, Katherine, father, Benito, sisters, Michele and Grace and brothers, Mark, Dominic and Christopher.

“ One thing I will always remember about Patrick is his laughter and smile. It was so infectious! He loved to write and would bring his notebooks everywhere! I think the bags for all his notebooks weighed more than him. He was missed so much when he moved away from PEP, but I was happy he was getting great care. Now that he is in heaven although I am extremely saddened, I know God has him in great care.

“ I was Patrick's social worker in Maryland. He truly was a pleasure to work with and most always had an infectious smile on his face. He was loved by both the staff and his peers at the hospital. He was last on a unit with both hearing and deaf patients and somehow was able to communicate with everyone. He was missed when he transferred to Ohio from Maryland. Memories of Patrick will always put a smile on my face. Diane K-S
