“ I just found that Phyliss passed away October 27, 2018. (I only get the Sunday newspaper). My deepest condolences and sympathy go to Phyliss's family.

When checking the obituary I noted that her husband Charles was only mentioned that he was her sweetheart. In searching I found that Charles had passed away on October 15, 2018. At that time I really didn't know what to do or say. Other than may God bless their souls and may they rest in peace.

To the family it doesn't seem saying the words deepest sympathy and condolences is enough. At times like this it's never know what else to say.

May God bless you all and give you peace within your memories.
