“ I'm going miss the sweetest, most caring man I know. He was the best father-in-law anyone could ever ask for. He was always so funny and he had a way of giving the best advice without telling you what to do, he would just sit and listen and then he would say "so what do you think you should do". I am going to really miss hearing "toodle-loo". He ended all of his conversations with that. He was truly a great man. I miss you already Pop.

“ Grandpa you're going to be greatly missed by so many! You were an amazing grandpa and I'm so lucky you were mine. Although I wasn't born into the family, from day one you didn't look at me any differently. I will forever cherish the many conversations we had about always sticking to a budget, and to never buy anything in life unless it was in my budget. I will miss your jokes and hearing your little laugh when I would tell you one that might not have been as funny as the one you just told to me. I love you grandpa and know that I'm at peace knowing you are in a better place. Toodaloo Grandpa

“ Ralph will be missed by all his GE Pal's!
He will always have a special place in my heart. His jokes and humor kept me laughing most of the time. Ralph always checked the vending machine coin slots every morning to see if he could collect a few penny's before starting his day. One morning I super glued a quarter to the floor and we watched him get a screw driver to pry it up. He could take a joke as well as give them. Rest In Peace my dear friend.
God Bless his Family during this difficult time. Respectfully Ron Gallagher

“ *Ralph was a wonderful grandfather to my sons, Michael and Bryan Sedlock. He came to all their football and baseball games when they were growing up. He was a sweet person who loved to tell jokes and I am sure he is in heaven making everyone laugh. He will be missed greatly.*
