“ *Allen, Cindy, Kande, Tam, Missy, and mom Geneva, I am so very sorry for your loss. My family and yours grew up together living over on W Mulberry St and going to school together, until we moved to Cincinnati because dad's work took him there. Our parents bowled together, played Yahtzee together and us kids hung out together. Although our paths never physically crossed much after that, I have thought many times on Randy and the family and the fun times we had growing up. My thoughts and prayers are with you all, Aimee, I never met you, but my heart breaks for you and your children too. May God give you all the peace and comfort you need to get through these difficult times. Much love and sympathy. Leann Hart (aka Riffle) and family.*

“ Randy and I have been friends for many years and I think we met when I was 11. Played sports in high school together and in our later years watched his grandson and my great nephew play high school basketball. I had many great times with Tis and our running partners in our youth. He will be missed by many and my condolences are extended to his entire family. May you rest in peace my friend. Tom Woodside
