“ My mom truly loved to worship the Lord through Praise and Song. One of our favorite things to do during the summers was go to all the different Christian music festival in the area. Every year we would go to SpiritSong at Kings Island for three days in June. Then we would go to Alive at Atwood Park Lake and camp for four days. In the Winter we always went to Winterjam. Of course, mom being who she was, we were always dragging others with us. She was a true witness to others of her commitment to Our faith. We met and saw live many Christian bands throughout the years. I love you momma and David and I will keep that tradition going strong for you.

I remember Becky from riding the same school bus. I had just moved to Sugar Grove and even though I was younger she was always nice to me. She is one of the people you lose touch with after graduation and wish you had been able to find again as an adult.
