“ For those who knew Rebecca, You already know what an Amazing person she was.... but for those who didn't know her I can tell you that you missed out on knowing a really great woman... She was kind, funny, direct... if she loved You she did so with loyalty and fierceness... she was protective of those she loved... She had a tremendous sense of humor and could take jokes as they came... She wasn't just one in a billion... she was one of a kind...
