“ Reda I can't even begin to tell you what a blessing you have been to my family and your church family. Watching you get so excited about even the small things or how you'd light up whenever there was a child was so great to watch. Your love for everyone was so wonderful. You are going to be missed by so many and there will definitely be a void without you here. I know I will see you again though in heaven and I can't wait for that day!! I LOVE YOU!!!!
