

Richard Lee Baker Jr.

December 3, 1954 - May 27, 2024

Richard Baker, 69, passed away on May 27, 2024, after a short complex condition. He served in the US Air Force, was a member of FOE, enjoyed motorcycle riding and his “meetings” with friends at the FOE.

He is preceded in death by his parents, father-in-law, several aunts and uncles, life-long friends and his junkyard dog Harley.

He is survived by his wife, Penny; children, Rick, Kimberly, Faith and Walter; grandson, Bryce; sisters, Jane and Janet (Bernie); uncle, Butch (Linda); his mother-in-law, several brothers-in-law, sisters-in-law, numerous nieces & nephews and some very dear friends.

While the reverberations of his passing are still being felt throughout the family, the family takes comfort in knowing that his suffering was not a prolonged one.

Rick's wishes were to skip the tears of a traditional funeral and instead let his family celebrate his time on earth.
