April 24, 1982 - June 16, 2022

Robby Lee Robinson born in Columbus, Ohio on April 24, 1982, and passed away suddenly on June 16, 2022 at the age of 40. He is survived by parents, Roger and Charlene Robinson; his only child, Prestyn Robinson; brother, Ian Robinson; uncles and aunts, John and Marie McGarvey, Patrick and Peggy McGarvey, Larry Damron, Chris and Barbara; many cousins and friends- including best friend, Nick Saints.

Robby is preceded in death by maternal grandparents, Pat and Joyce McGarvey; paternal grandparents, Mary Hamilton and Ralph "Robby" Robinson; aunts, Vicki Grubb, Jean Holton, Peggy Barrett; and uncle, Charles Barrett.

Robby could best be described as having a fun personality, always wanting to make people laugh. He was a good-spirited person with a very large heart and would do anything to help his friends. He truly loved his country having served two years in the United States Marines. He was an avid football fan with The Ohio State University being his favorite. He also enjoyed watching car races as he was a constant visitor at Columbus Motor Speedway. He had a love for music that started at a very early age, helping his father, along with his brother, setting up for numerous shows his dad would play. He would always come and see his dad perform and help if needed.

Robby loved body art as everyone knew by looking at him. He was a dresser - had to have some type of jewelry on and all his clothing had to match from his hat, to his jersey, to his shorts and tennis shoes. And he always wore sport teams.

Robby will be deeply missed by his family and friends. His fun personality and heart will live on and be remembered forever. Graveside service in Gallia County and a celebration of life in Columbus, Ohio will be held at a future date. Please check back for details. Day Funeral Service is honored to serve the family of Robby Robinson.

“ I wish I woulda been around, Big Rob. My bad. I caught this news on the streets and still have trouble picturing your smile gone. We could go though the couldas and shouldas.... But facts are facts.... I guess I wasn't as attentive to our relationship as I shoulda been. Rest easy, love and fly high. Remember.... Them haters mighta not liked you, but best believe... They ain't NEVER gonna forget you. You, and yours are in my thoughts and prayers.... I was always late to the party baby.... Would you expect anything less? I love you, Robby..

“ Rest in peace my son. There are no more demons to fight or crosses to bear. You will live within me forever as I go through the struggles of not having you here. What I would do to see your beautiful face and hear your voice one more time. But I know I'll see you again with our heavenly father. Go sing with the angels as you "go rest high on that mountain". Love Mom

“ My dear brother, you were the best brother I could have, through all the good times and the bad. I have prayed for you because I love you and miss you tremendously. I wish I could see and tell you once more how much it means to me to know you are safe and out of trouble, because we all love you deeply. Though, I know now you are in a much better place because the good Lord loves you brother. Don't ever forget that we will never forget about you and we will keep you in our hearts. Thank you for all the memories and joy you brought us through the years. Robby, I love you. R.I.P. brother.
