“ *After years of being apart from family. I grew up with Uncle PeeWee. Not was he my uncle but he had a hand in raising me as one of many men who was a father to me. He was the best man ever. His sense of humor would have u laughing, he sure will let u have it if u done something he didnt like. Never pulled punches. My fondest memories will be the ones i spent with him down out in the garage whether it was patching the hole in the roof, tearing a dryer apart or just moving things around, we had fun. Those r just a few things we done. Uncle PeeWee will be missed, i am glad i came back to spend his last days with him. This isnt goodbye, its until we meet again dad/uncle PeeWee. Love u*

“ He was the uncle that everybody wanted to have! He could make you laugh even in the hardest of time. You always knew when he was going to be around you would be laughing! His sense of humor is what I will always remember about "Uncle Pee Wee". He will be missed greatly but never forgotten!!

“ Dave and I have known the family for over 53 years and will treasure alot of memories. The one thing we'll always remember is his laugh. He was very funny and always joking. But he had a wonderful laugh. He was a good friend and will be missed tremendously. Heaven has another Angel to watch over all of us. 😊😇❤️❤️
