“Chandler always had good things to say about you. He looked up to you. You were his favorite coach. Thanks for coaching him in baseball. GO BULLDOGS! Wish we got to spend some time with you before you left this world. You will always be a part of our memories.

“ *My dear beautiful brother, words cannot express how broken my heart is. I just got you back in my life again only to have you taken away too soon. I will forever treasure the time we got to spend together and I hope you knew in the end how very much I loved you. I am so grateful that our families got to know each other and spend time together. My only regret is that it didn't happen sooner. And don't you worry, we got your family bub, ALWAYS. It was an honor to call you brother. Give my mom a big hug for me. I hope you two are having ONE HELL OF A PARTY !!!*

*Love forever,
Kim*
