“ *Roma will be remembered with love. She was so proud of you, Lois. You did everything you could to help her stay independent and comfortable. Your family was always there for her. You all will be blessed by that. The memory of our trip the Poconos with Roma and your family comes to mind. Remember when we found that pizza place in New Jersey named Roma's. Good times. So fun. So glad she did not have to suffer any longer. Love for all.*
