“ Even at the end, she was sharp, funny, full of advice, and NAUGHTY. She told me she was ready for Heaven and all it's glory. I want to thank the Penn Family for their love and support for the years I have known them. Truly real people who care about others. Charlene has made the list of my Guardian Angels.

“ What I remember most about Mrs. Penn was how wise she was, and through Kate, my highschool buddy, I got to hear about those life lessons. Kate, you mom was one of a kind and with a foresight and commitment to her family like no other. I count myself lucky to have known her. May God's Grace surround and hold you lovingly, compassionately, in this difficult time. - Lily Sieu

“ Oh Kate, I know that your mom was your rock for so many years and then you were her rock for her latter years. Not many are willing to take care of their parents in the same way. You have held things together tremendously well. Hang in there. I wish I could be there for the service, but please know that mine and Sandy's prayers have gone up for you and Kaitlyn. And I'm sure you'll hear from all of the children, they all love y'all so much. In fact, Sandy and I will be forever indebted to you and "mom" for what you did for my son and your adopted son and her adopted grandson! ;) Love You!

“ I always looked for your mom sitting on the back porch enjoying the nature, seeing the people go by in their cars, always a wave and a smile. You did a wonderful job Kate keeping her home where she wanted to be. Love & Prayers for you and Katylin. I didn't know the rest f your family but you have my sympathy. Remember the love and the good times you shared with this special lady.
