“ I don't know where to begin. She was one of the smartest women that I ever met. She helped me with legal paper work and once with taxes. She never accepted a dime. She had the most beautiful smile and and a infectious laugh.
So sorry for your loss! I don't understand why God takes all the good people to stand with him. I do know that anyone that didn't get a chance to meet her, lost out big time.
My thoughts and prayers are with her and the family everyday.

“ *Sissy (Sharon) made me laugh! In addition to her kindness, making people laugh was one of her greatest talents. I will miss that infectious laugh and can't wait until I hear it again some day. She will forever be greatly missed.*
