“ Aunt Shirley I will miss you so much! I'll never forget the love you had for dad, Kelley, (cousins)! You always called him your “brother from another mother”!! His mom and her dad were brother and sister. They were raised together on the old home place. RIP sweet lady. Love you and will miss you!!

Love, Pammy (what she called me) ❤️🙏😭

“ Ill never 4get the day I met this one of a kind woman!! She took me in & made me the most beautiful bedroom ever, all in pink! We had many, many good times together, especially the day I almost burnt her kitchen down(literally)! She taught me how to cook & ton of other things! Everytime joey got sick she was our 1st phone call we made, being new parents she taught us a lot! There were years that past that I didn't get to enjoy her as much but I'm sure glad we re-connected these last few years! Like I said she's one of a kind & i mean this is the most loving way ever! Her family & dad were her passion & GOD! I will always cherish our memories & how she was always there 4 me in the most important years of my life! I know at times I was a disappoiment to her but she never judged me, just loved me! She always spoke her mind & feared nothing! I cry as I write this, I will truly miss her! She's such a fun, wonderful, loving & inspirational person & what a hard worker! She loved her kids so much, all 6 of them! She was grandma of many & I know they all have their special memories, how could you not!! I love you forever & ever! Until we meet again RIP & ty for everything, my heart is heavy❤️❤️❤️ I know your with dad & that makes me smile. LOVE U
