

## Stephanie Lorraine King

February 6, 1962 - May 27, 2024

Stephanie Lorraine King, our beautiful and beloved mother, grandmother, sister, aunt, daughter, friend, and prayer-warrior, went home to be with the Lord on the morning of Monday, May 27, 2024, in Columbus, Ohio. She was born on February 6, 1962, in Huntington, West Virginia to Morton and Delores King. She lived in Huntington most of her life, lived in Long Beach, California for four years in the 1980's, and lived in Columbus for the past six years.

Stephanie was a true example of what it means to live your life wholeheartedly for God. She was the absolute best mom and grandmother, loved and nurtured with all her might, and prayed the most sincere and detailed prayers for absolutely everyone, not just family and friends.

Stephanie had a beautiful voice that was fit for an angel and enjoyed using her God-given instrument to sing and to bless others. She loved spending quality time with family, studying The Bible, writing poetry, watching movies, baking, decorating, exercising, dancing, and anything that involved nature, family, and being active. She has literally given the shirt off her back and the shoes off her feet for people in need. If it was remotely in her power, she was going to go out of her way to meet a need - for anyone.

In addition to faithfully tithing at church, she also donated to the St. Jude Foundation and local food banks for many years, as they were close to her

heart.

Stephanie is survived by her two daughters, Brittany Mbao (Jones) and Jasmine Jones; granddaughters, Arianna Nicole and Noelle Everly. Sisters, Rene Parnell and Rolanda King-Johnson; brother, Vincent King; cousins, nieces and nephews, great-nieces and great-nephews, and in-laws that she loved and cherished with all her heart. She is preceded in death by her parents, oldest nephew, aunts, uncles, and grandparents.

While we are heartbroken and trying to make sense of this enormous loss, we know that Stephanie is with her Lord and Savior, Jesus, and is rejoicing and praying for all of us left behind. Per her wishes, there will be no service or memorial and she requested cremation. In the event of her transition, she asked that we cherish all the wonderful memories, serve God, pray without ceasing, and be good to others. Words cannot describe how much we miss her already. We are forever changed for the better because we were blessed enough to be in her presence.

“ I'm sorry for your loss. I worked with her a long time ago and she was a wonderful woman who always tried to show me how much I needed God in my life. And I would have loved to let her know what she did for me. So even though I never got the chance to. I wanted to let her daughters know how truly sorry I am for their loss and how much of an influence she was to me.

“ Thank you Aunt Stephanie for being a representation of Jesus in the flesh for me.  
I know you were saved. I know you knew Jesus.  
I know that God loves you and I know that you are with Him. No more pain. I thank God for your life and I'm grateful that you were my aunt. In all things I trust God, especially when I don't understand. She was yours first. You make wrong things right, so my father who art in Heaven have your way!

“ Mom, you were the best mother and grandmother. A virtuous woman (Proverbs 31). A giver. A prayer warrior. A confidant. You embodied kindness, love, and strength like nobody else. We miss you so much and we cannot wrap our brain around living life without you here on this earth. Thank you for everything. We love you so much. We miss you already 💔.
