“ I knew Stephanie for 50 years. We met at Belden elementary school. Steph was always smiling. I remember the retirement party for her dad Nathaniel. I remember Steph and I would walk all over Canton just to talk and clear our minds. Someone would always enter our path and give us their insight on what we were talking about. Her cousins Troy, Gidget and Dwayne. The way Dwayne would deliver his words could only make us laugh and think. I'll miss Stephanie because she was a friend while she was able.
