“ Tad you will be so missed 😭 watched you grow up .many times you kept me on my toes . The one day was a pleasant summer day and you was out playing ,you came running and laid part of finger in my hand I realize what it was I went into emt mode ice baggie get you to children's I gathered your mom and took off to try to save it . I am heart broken and I now know your in good hands no more pain and happy love you and your family RIP tad good bye for now till we see each other again 💕
