I met Ted 9 yrs ago at HD. He trained me to be a COS. I have had the privilege to work with Ted for the last 3yrs. He was such a good friend and a great person to work with. I can't imagine anyone else sitting in his chair next to me..lol we she we sit about 2ft apart 😊. We enjoyed talking about movies, our pets and politics..lol. He would always be recommending movies that I should watch. I already missed Ted not being here but I always still kept in touch with him and hoped he would be back to his spot. I will really miss my friend being here. Rest in the Lord Ted. Until we meet again ❤️❤️
