“ One of my first memories of Ted was at Kristi and David's wedding when he danced with Eveline and they looked like they were professional dancers. Over the last 20+ years I have gotten to know him as family. He was always positive, told great stories, and was fun to be around. Also, I watched as he always stepped up to be a part of Kristi and David's life, as well as taking an active role with the grand kids. He will be sorely missed.
