

Timothy Luke Brown

February 8, 2021

Timothy Luke Brown, 44, passed away February 8, 2021 after a long battle with IGA nephropathy (Berger's Disease). Preceded in death by parents, Ralph Robert Brown and Marjorie (Bragg) Brown-Kearns. Survived by brother, Matthew and sister, Christine. Tim was a great uncle to Jessica, Reggie and Gracie. Tim had a great friend, Brian. God gave this friend to him to help him through this life. Tim Loved you like a brother. You were his teacher and friend. We want you to know how much he appreciated every moment you had together and everything you did for him. God gave Tim a gift to draw and he touched many people's hearts through his art. Tim's smile and laugh filled a room full of sunshine, you could not help but smile and laugh with him. Tim was one of the strongest people I know. He did 19 years of dialysis and died and brought back to life many times. He never complained and always asked "how are you doing". There are no words to express how much Tim will be missed. He was an angel among us and now has his wings. God holds one of the best men in his arms. No more pain no more suffering, rest now Tim and know we will see you soon for absent from the body is to be present with the Lord.

“ *Tim WAS and STILL an Angel of God of all God's! He did everything for everyone else but not himself. I loved spending days with him where we went to movies Brian's house spending time at church with him. I will ALWAYS remember his voice his soft teddy bear hugs and warm words with people. Tim you were my favorite Uncle besides Matt. You are truly someone special! Things can not bring you back or anything but I know how special you really are. I must say you are definitely a Angel and no one really knew till now! You will always and forever in my heart and in my passing to keep going like you did. And to NEVER let anything stop you! I love you Uncle Tim!! I will see you soon. Love your hard headed Neice Jessica 😊*
