“ *Dad you will be missed by so many. I will miss seeing you as soon as we walk into Kim's house, it seems so empty now. I will miss seeing your face light up when any of us walked in. I will miss your jokes and I will miss making you mad when I mention Tom Brady going to the superbowl again, Haha, even though I would secretly always wish the Bengals would do good, which rarely happened lol. I never would have told you that cause it was so funny listening to you go off about the Patriots. I know you are in a better place and with grandma and grandpa so that gives me some relief. I love you dad. Until we meet again,*
