

Tracy Nicole King

July 9, 1966 - September 30, 2025

Please join us in celebrating the life and ministry of Tracy Nicole King here on earth. The Lord escorted Tracy to our new home in heaven on September 30, 2025 ... and yes, I put in a request for her to pick our place by the ocean for me (husband) and near the mountains for her. Pretty sure she will put it closer to the mountains .. hehe.

Tracy is committed to her family, and she loves children and all kinds of critters ... seriously, even mosquitoes! When Tracy's parents, Barbara and Wayne Thompson, became ill with cancer and eventually passed into glory, she was by their side, loving, praying and helping to care for them until Jesus arrived for them.

Tracy and I spent almost all our time thinking about how to live out our faith by "Serving the King, by Serving Others!". That is what she always said to me and our friend in faith. I know that Michael (18 years old), our son, and I will remember that as we strive to serve the King by serving others.

As she prepares things for our arrival, where life really begins, he and I will continue the work the Lord gave us to pass on to the next generation of serving the King by serving others. Michael knows that Tracy and I wish to have many, many grandchildren ... so turn your prayers to that happening for us.

“ *Tracy’s love was God’s own grace—
A spark of joy, a warm embrace.
With laughter bright and colors bold,
She filled our lives with love untold.
Now heaven holds her shining light,
As she creates in stars each night.*

May her spirit bring you peace.
