“ I can't really remember a day that I didnt consider Trena a good friend. We didnt have to talk every day to know we were always there for each other. It always made me smile when I thought of her and it still does. Afterall, she was very good at making everyone smile. She had more energy than anyone. Trena held such a special place in my heart that I will never forget her.

Everyone that knew Trena can agree that Trena was one of a kind. She was beautiful inside and out. She always had a free spirit and now she can let her spirit fly.

I will miss her deeply.

Rest in Peace and may God bless her and her loved ones.
