“ Many a night playing euchre with Twila, Terri and Wes Hughes. I dont think she ever admitted to it, but she was quite the card shark and could a deck better than most.....lol  
I have many fond memories playing softball in the state lot, in the yard on York Street, and watching Twila and her sisters and my sister play softball all over Central Ohio. She was a great pitcher! So many years ago but seems like just last week. See ya later Ugg, tell your mom and pop hello for me, and give granny and pappy a hug.
