

Walter S. Vernier

February 20, 1928 - January 16, 2022

On Sunday, January 16, 2022, just before his 94th birthday, Walt Vernier died peacefully in his sleep at his lifelong home in Worthington, Ohio. An original Colonial Hills resident since 1955, he was very proud to have four generations of his family build a home there. Preceded in death by his wife Mary, whose remains will be buried in the casket with Walt as he cradles his loving arm around her urn. Also preceded in death by parents, Frank and Margaret; and brothers, Raymond and Eugene (Bub). Survived by children, Michelle Milligan, Linda Cecelia Panzinetti, and Whitney (Andy) Greicius; grandchildren, Jeremy (Caley) Milligan, Hannah (Brad) Bragg, Danielle Vernier, Jessica (Blake) Ellard and Mary Tapp; great-grandchildren, Luke, Halle, and Nelleigh; and grand-dog, Pepper.

Born in Portsmouth, Ohio, Walt was devoted to St. Mary's Church and school. A World War II Veteran who served in the Army Air Corps/Air Force, he was stationed in Alaska where he learned drafting which led to his passion of architecture. Walt pursued this passion at Ohio University in Athens and graduated with an architecture degree and license. He retired from a lifelong career in 1995 at the Columbus Board of Education.

“ This is the picture of michelle and I after dad drove an extra hour to rescue my lost vacation puppy in the basket! I accidentally wrote in the eulogy that the basket was pink. However that was because I lost the toy again as an adult. My sister Michelle tried for a long time to replace it for me. She couldnt find a blue one but she found a pink one that she gave me. In addition, mom had handmade me and Michelle raggedy ann dolls for a raggedy ann birthday party for me. Mom also made 10 smaller ones for my birthday guests. I stupidly lost my doll as a teenager. Michelle's doll wasnt completed as a youth. When michelle found out I was missing my childhood doll, she finished her doll for mom and gave to me 😭 mom hand stitched an I love you heart on each doll ❤️

“ Dad hard at work as an architect; we had a chuckle recently because the 2nd picture looks like a Charlie shirt from 2 1/2 men. Dad enjoyed watching Charlie the last couple years. Light hearted from watching the awful news all the time. I had told dad the last couple years not to be surprised if one day he only could get the hallmark channel. Dad watched news 24/7 mist of the time. Kinda missing that now since hes not informing me anymore. I dont like to watch the news. Last picture was one of dads favorite of him and his adventures.

“ One of my favorite pictures of dad and I. Noticed recently that I had one hand always caressing his face. Even in the stockard picture my arm is shown reaching behind to touch him 😊

“ This is the doll house dad made for michelle and I he made it resemble the house in colonial hills. He also made it as rememovable floors. All the kids and grand kids have special memories of the handmade doll house.

“ To Walter's family: My mother, Frances Pauline (Vernier) Cooper, was Frank Vernier's sister. They were the children of Theophilus and Mary Catherine Vernier. Frank was the oldest of nine living children and my mother was the fifth in line. Raymond used to come to our family reunions on Pond Creek. My sister, Kathleen Vernier, is also 94. Walter, Kathleen and myself would have been first cousins. If you wish to contact me, my e-mail address is coopserv@frontier.com ----- Thank you, Judy Cooper
