“ There are just no words to express the sorrow I feel for you and your family, Gina. Your mama is an unforgettable force to be reckoned with and we are all better for the fresh perspective and love she freely shared. You’re all in our hearts.

“ No one can ever take the place of willie. One of a kind for sure. She taught me something years ago to make the best of the life you live. And don't live your life wishing for things you don't have. She was a dear friend. Taught me many things in my life. So sorry for your loss. nicky, gena. And all the grand kids.

“ I met Willie in my early 20s. She had a spunky attitude that I always admired. Good times were had. Rest in peace, Wilda.

“ Willie was my neighbor, my friend. We had many times together and many talks. Lots of gossiping and changing the world! 2020 put a crimp in our visits, but we managed a few chats here and there. She was lost without Bob, but found much joy in family. I will miss her dearly. My heart aches for her family. RIP Willie... Your friend, Marlene

“ *Today is your birthday, but you are flying high.  
It hurt so much to tell you goodbye.  
I miss you so much, all I can do is cry.  
If there was a way to see you even one more time, then there would  
be nothing that I wouldn't try.  
You were so special, and you'll always mean a lot.  
I'll miss the times I gave you an insulin shot.  
Words can't describe the pain that I feel.  
I just keep telling myself this can't be real.  
I love you so very much, this is true.  
When you flew away you took a part of me to.  
I love and miss you so much Mawmaw.... I... I just want to see and  
hear your voice one more time. But I know you are up there with  
Grandpa Bob living your best life. I'll see you again one day I know I  
will. And I'll try my best to make you soo proud!!! 11-16-46 to 11-9-
