“ *Billy-Bill Wilford. My cousin, my aunt Barb and Bob. I remember one bounce and fly in the empty lot next door to the house . House full of dogs about 6. I remember the basset hound. The butter knives in the door frame and uncle bob and my dad Ray would love the horses at Beulah park track. Bill mom passed my dads sister and first time I ever seen my dad show emotion. Last time I seen Bill he was at my dads Ray funeral gathering. I'm so sorry to just find this out. Is Aunt Olive doing well? May you Rest In Peace Bill. God bless you.* ”
